SELEE'S GIANTS IN BETTER FORM; LOSE.

Trinidad won the second game with Frank Selee's Giants here in a close contest by a score of 6 to 5, but not until the visitors, who showed a marked improvement in form, gave the fans a bad scare. The victory was due to the Denver pitcher, Perce, who, with two down in the eighth, threw wild to second in an effort to catch Brierly. The ball went high and was fumbled by Grey in center. Brierly scored the winning run. Trinidad failed to play as well as on preceding day and the fielding was not up to that of the Denver men. Calkins and Colburn for the visitors both made sensational catches of long flies that looked good for several sacks. The locals tied the score in the sixth with a two-bagger, three-bagger and a single.

SHORTAGE ALLEGED

Missing Pueblo Auditor Said to Have Taken Large Sum

Pueblo, May 11.—Serious charges against former City Auditor L. J. Tyson were made tonight at the meeting of the city council in a report submitted by Auditors W. L. Scott and C. S. Carlyle, appointed by the council some time ago to examine into the affairs of Tyson. The specific charge is that a shortage of \$5408.21 exists on his books but it is claimed that this will be much more. This money is said to have been paid on warrants not allowed or approved by the city council. The matter has been hanging fire for a long time, ending the report of the auditors. Tyson has been missing from the city for several weeks and his whereabouts are still unknown.

DEBS BOUND TO DEFEAT HAYWOOD

Chicago, May 11.—The Socialist national convention resumed its work today with every indication pointing to a storm which may culminate at any moment during the week's life of the convention, in a decisive and definite line-up between the city socialists in on camp and the agricultural or "farmer" Socialists in the other. There is a definite line of cleavage in the convention which is likely to continue.

Socialist party make a political appeal to the farmers of the United States and attempt to bring them into the ranks of outspoken Socialism? As high in the clouds was the temper of the convention as to its presidential candidate. The fight just now apparently is between Eugene V. Debs and William D. Haywood. Debs, apparently, cannot control two-thirds of the convention, and neither can Haywood.

Debs is not in Chicago. His friends are credited with attempting to secure the adoption of the two-thirds rule in order, it is charged, to defeat Haywood, even at his own loss. An attempt to force the two-thirds rule was defeated yesterday by the precipitate adjournment of the convention. It was to be the first thing fought over today.

HOLBROOK ON TRIAL

Alamosa Slayer Faces Trial for Murder of Young Ticket Agent

Conejos, Colo., May 11.—The trial of Glen Holbrook, charged with the murder of Morduant L. Lowther at Alamosa on the morning of February 20, began in the district court here this morning before Judge M. S. Bailey of Canon City. A jury was secured at three o'clock this afternoon and the ante-mortem statement of Lowther was read, after which Mrs. Lowther was placed on the stand. She merely stated that the shooting took place as alleged when court adjourned.

Miss Lulu Lowther, who gave up her position at Pittsburg in order to be present at the trial, was in court. Lowther was fatally shot by Holbrook when the former, returning home in the morning, found the defendant in a room with his wife. Holbrook claims self defense.

KILLED BY TRAIN.

Boulder, May 11.—Thomas Tidd, 16 years of age, was instantly killed

this afternoon while attempting to board a stock train at Marshall. He missed his hold, was thrown against a telegraph pole near the track, and bounded back under the wheels. His body was severed by the train.

THREE THOUSAND AT SPRINGS; REID'S TEAM WINS

Colorado Springs, May 11.—A crowd of 3,000 fans saw their favorite Colorado Springs Red Sox go down to defeat by the score of 4 to 2 in a very interesting contest at Roswell park, the victors being George Morrison Reid's Denverites. This was the second contest of the Colorado State league series. Next Saturday and Sunday the same teams play at Broadway baseball park in Denver.

Willett of the School of Mines, did the twirling for the Denver team, and Wasson of the University of Colorado worked for the locals. Wasson had the better of the argument so far as hits went, allowing but four, as against eight made off Willett's delivery.

Each had eight strike-outs to his credit. Willett, who pitched eleven innings and defeated the Colorado College Tigers at Golden Saturday, did not exert himself except when in the hole. Wasson had poor support at critical stages. McHugh's poor fielding and a passed ball being responsible for the two winning runs.

NARROW ESCAPE FROM THEIR BURNING HOME

Steamboat Springs, May 11.—Mrs. Edward Edmundson and her three children narrowly escaped death in their burning home early today. Mrs. Edmundson built a big fire in the cook stove and went back to bed. The house caught fire from a defective flue and the family had barely time to get out in their night clothing before the building collapsed.

REFUSED BAIL TO DEGENERATE PRINCE

Berlin, May 11.—Bail in the sum of \$125,000 has been refused in the case of Prince Zu Eulenberg, who is charged with perjury in connection with the charge made by Editor Harden. It is probable that he will remain a prisoner for many months. The crown prosecutor does not expect to have his witnesses ready before October.

It is understood that one reason why bail was refused was the possibility of the prince, if free, preferring suicide to facing trial.
